PATINE ANTICHE

SHABBY MADE FOR YOU...

Patine Antiche è una pittura opaca a gesso pronta all'uso che aderisce su qualsiasi tipo di supporto (legno, acciaio, vetro, specchi, tessuti, muri etc..) senza carteggiare o togliere vecchie vernici. Questa chalk gessosa ha proprietà aggrappanti e riempitive anche su supporti difficili. La durezza del colore in profondità è raggiunta dopo circa 7gg.
